

International Recognition to the Satellite Team of Noorul Islam Centre for Higher Education

Noorul Islam University has bagged the prestigious **Best Paper Award** carrying a cash reward of US \$ 1500 in the three day International Workshop on Small Satellite and Sensor Technology for Disaster Management sponsored by Indo US Science & Technology Forum and organized by IISc Bangalore, Lockheed Martin USA and CANEUS, Canada at Bangalore from 31st March to 2nd April 2014.

120 experts from USA, UK, Russia, Canada, Thailand, Vietnam and India participated in the International Workshop. Dr.A.E.Muthunayagam, Prof.M.Krishnasamy, Dr.A.Shajin Nargunam, Dr.X.Felix Joseph, Dr.R.Ganesan, Mr.K.Sivakumar, Mr.I.J.Rohith from NIU participated in this Workshop.

All the papers received for the Workshop were reviewed independently by two experts from USA and one from India with 4 different criteria for evaluation. From Noorul Islam University. Dr.A.Shajin Nargunam and Dr.R.Ganesan presented the two papers prepared by the NIU Satellite Team. The two papers from NIU were clubbed together and selected as the **Best Paper of the International Workshop.**

Noorul Islam University is happy that the Collaborative Project Concepts contained in the papers presented by its faculty members, Dr.A.Shajin Nargunam and Dr.R.Ganesan, have received International Acclamation and recognized as the best in an International Forum participated by experts from all the countries in the forefront of Satellite and Sensor Technology.
