

**GREEN CAMPUS INITIATIVES**

NICHE is taking various initiatives like, restricted entry of automobiles, use of bicycles/battery powered vehicles, ban on use of plastics and landscaping with trees and plants to make the campus green and eco-friendly.

**Restricted entry of automobiles:**

Sufficient parking areas are provided near the main entrance. Barricades cautioning the restricted entry of automobiles are placed at the entrance of the campus.

*Barricades and signage cautioning restricted entry of automobiles*

*Separate parking area*

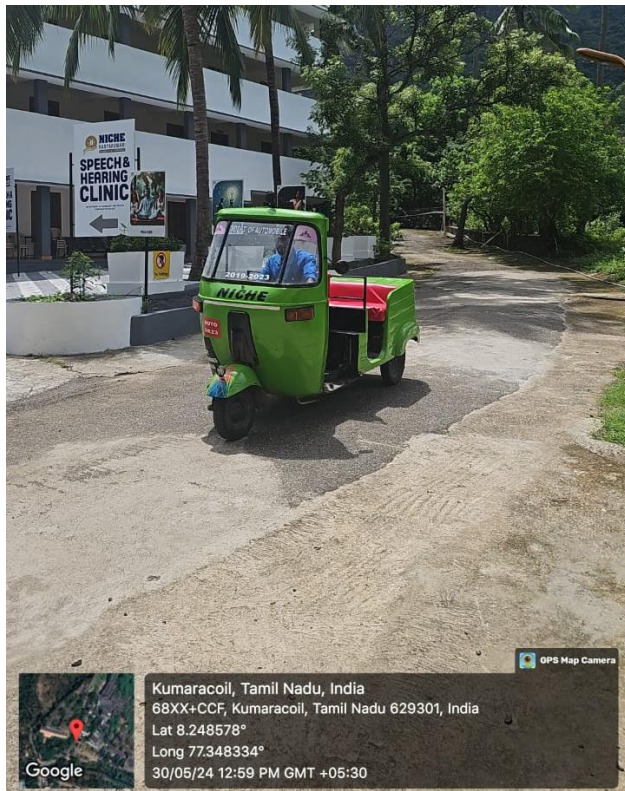

**Use of bicycles/battery powered vehicles**

Staffs are encouraged to use bicycles or battery powered vehicles for transportation inside the campus.

*Use of bicycles inside the campus*

*Use of battery powered vehicles inside the campus*

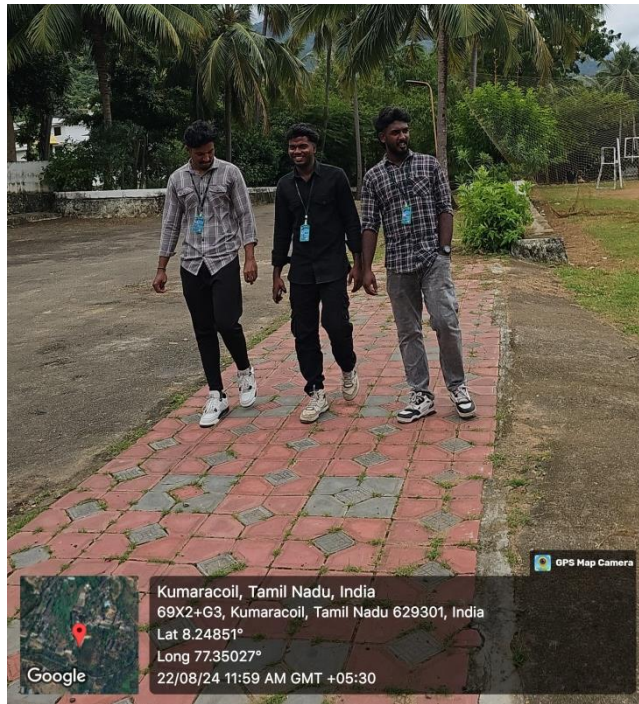

### **Pedestrian friendly pathways**

Roads within the campus are paved with pedestrian-friendly pathways so that students can walk safely through it.

*Pedestrian friendly pathway*

### **Ban on use of Plastic**

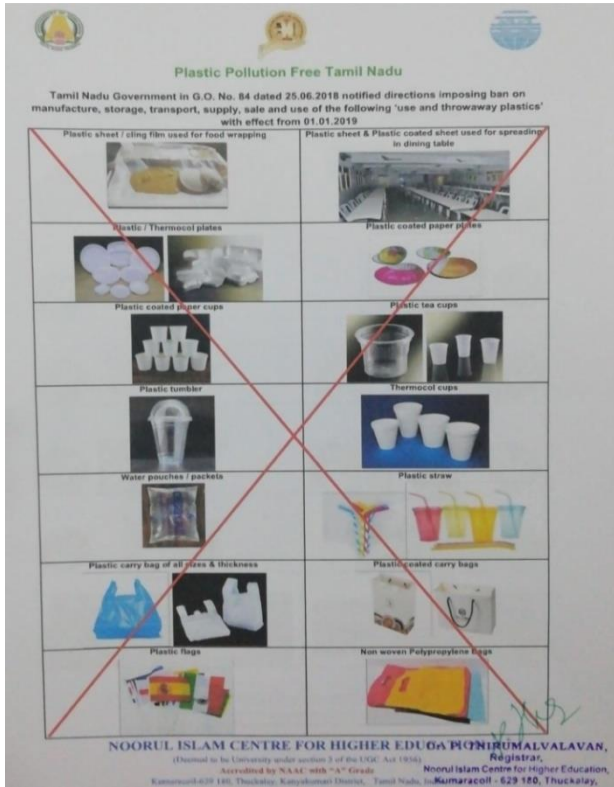

Usage of plastic is banned inside our University campus. Awareness on avoiding plastics is created among all by pasting posters throughout the campus.

*Posters to avoid Plastics*

*Circulars issued by Registrar regarding Ban on Plastics*

**Landscaping with trees and plants**

Our campus is blessed with full of trees and plants. Every three year we conduct green audit by counting the trees and establishing the green cover area. Every year we do mega plantation of more than 500 plants in campus.
